

# Limit the Use of My Sensitive Personal Information Request

California law states that a consumer shall have the right, at any time, to direct a business that collects sensitive personal information about the consumer to limit its use of the consumer's sensitive personal information to that use which is necessary to perform the services or provide the goods reasonably expected by an average consumer who requests those goods or services.

## I am requesting the following:

You Limit the Use of My Sensitive Personal Information to the use or disclosure of it to only those authorized by me unless I later consent to the use or disclosure of my sensitive personal information for additional purposes.

If you are a resident of California, or any other state in the United States, province, or another country, and want to limit the use of your sensitive personal data, complete the form below.
